This fundraising event is crucial in continuing our ministry sites at Arlington, Bluffton, Cory-Rawson, City Life/Findlay, Liberty-Benton, Pandora-Gilboa, and Van Buren. We had a total of over 1,300 students who were involved in various YFC programs last school year. If you would like to put together a team (or two), please contact us at 419-422-7452 or download a Bowling Packet from our website: [www.yfcnwoh.org/events](http://www.yfcnwoh.org/events) ☺

Campus Life Middle School and High School ministry combines healthy relationships with creative programs to help young people make good choices, establish a solid foundation for life, and positively impact their schools. Like every ministry of YFC, Campus Life seeks to engage these young people wherever they are found as lifelong followers of Jesus Christ.

City Life is an effective ministry model to transform the lives of urban youth, their families and the communities that they live in. The City Life model provides a strategic way to pursue every young person in urban communities all over the USA.

YFC Core® is teams of students with adult coaches who together, follow Jesus in a way that naturally invites friends to discover Jesus with them. Teams of students meet weekly with adult coaches to share, pray and discover how God is challenging them to take risks and invite their lost friends to discover Jesus with them.

At YFC Camp, it is our desire to create an environment that invites God to transform the lives of young people through shared experiences, outdoor challenges, and times of solitude that draw students to the heart of God within the context of authentic relationships and memorable learning experiences.
